

## HOW WE CELEBRATED

## INTERNATIONAL WOMEN'S DAY!

On March 8, the Council and its partners held an exciting programme of events for residents of all ages to celebrate International Women's Day.

In partnership with local organisation Creating Ground, we hosted an event at the Woolwich Front Room, Powis Street. Residents and volunteers created a beautiful piece of community art to celebrate the achievements of women locally.

At Waterfront Leisure Centre, 20 women took part in a physical activity mash-up, giving pilates, yoga, zumba and boxing a go. Over 70 students took part in a cricket festival at Eltham Hill School, in partnership with Kent Cricket.

This year, the theme was #EmbraceEquity, encouraging people to imagine a gender equal world, free of bias, stereotypes, and discrimination, where difference is valued and celebrated.
